

Assembly instructions

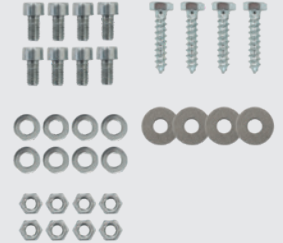

WORK TABLE

can be combined with all other
CYCLUS TOOLS workshop components
750 x 750 x 895 mm
code 720641

Contents:

- 1x worktop
- 2x table frames
- 2x crossbeam
- 1x screw set

Assembly

1. Check that all of the parts listed above are included.
2. Stand both table frames on a level surface.
Pay attention to the following alignment: Threaded eyelets to the rear, holes for crossbars to the inside. POS. 1
3. Mount the crossbeams with the M5 hex bolts, washers and nuts using the second upper pair of holes. POS. 2
4. Then mount the worktop on the frame, fasten it with 4 wood screws. Pre-drill holes with a suitable wood drill bit. POS. 3
